

## Blanco Performing Arts Audience COVID Screening Form

The safety of our audience is our overriding priority. As the coronavirus (COVID-19) pandemic continues, we are monitoring the situation closely and following the guidance from the Centers for Disease Control and Prevention and local health authorities. At the request of the Blanco County health authority in order to prevent the spread of the coronavirus and reduce the potential risk of exposure to our community **we must require everyone to complete and submit this questionnaire prior to entering the concert.** We are also asking anyone who has tested positive for the coronavirus, is experiencing symptoms, or may still be contagious to please contact us directly for a full refund.

Please respond to each of the following questions truthfully and to the best of your ability. Your participation is important to help us take precautionary measures to protect you and our other audience members. Please print this form for every ticket holder, and have each submit a copy completed on the day of the performance.

Name:

Phone Number:
